Naturalist Adventures

July 29 - August 2

Ages: 9 - 12

8:30 a.m. - 3:30 p.m.

What does a park naturalist do? Just like a naturalist, you'll learn how to identify plants and animals in the park, go blue bird monitoring, orienteer through the park, and meet Cornelius the corn snake. Throughout the week we will draw, write, and record all our findings in a nature journal! This camp also includes fun games and a tubing trip along the Brandywine. Campers must be able to swim and be comfortable in moving water.
