Summer Camp Disciplinary Policy

Summer camp is meant to be a fun educational and recreational activity. For the benefit of all campers, it is important that children behave appropriately within the summer camps. If it becomes necessary to take disciplinary action against a student, the steps followed are outlined below.

- 1st incident: The camper will receive a verbal warning and an explanation as to why their behavior is inappropriate (whenever possible this will be done away from other campers).
- 2nd incident: Staff will determine an appropriate consequence for the camper's actions (examples may include a time out or exclusion from participating in an activity). The camper's parent will be notified of their behavior when they arrive to pick the child up.
- 3rd incident: The child will be excused from camp without a tuition refund.

The Summer Camp Staff of Delaware State Parks and the Delaware Zoological Society reserve the right to bar any child from summer camps following a first incident in cases of serious behavior problems.

I will follow the camp schedule. I will bring only the necessary items to camp (no weapons, electronic items, valuables, etc.) I will respect counselors, directors, and other campers by not using foul language, name calling or fighting. I will follow all safety rules set forth by the camp staff.
