

New rental cottages near the Indian River Inlet Marina will be available in the Spring of 2004. Each half of these accessible duplex units will have over 900 square feet of living space. There is a full kitchen, bath, washer and dryer, two private bedrooms, and a loft for the kids. Enjoy views to the inlet from the screen porch. There is even a fireplace for those cool evenings and off-season getaways. You will forget that you are within minutes of the crowded resort areas when you relax here in this natural setting within Delaware Seashore State Park.
