## 18<sup>th</sup> Century Market Fair

[www.destateparks.com/MarketFair](http://www.destateparks.com/MarketFair)

First Saturday of November

First State Heritage Park hosts the 18<sup>th</sup> Century Market Fair on The Green with special agreements from the City of Dover and First State National Historical Park. The intent of this program is to recreate the sights and sounds of the 18<sup>th</sup> century, bringing the past to life for the general public.

This is not a sutler's fair; it is a public program. Preference will be given to vendors that prioritize demonstrating their trade or skill to the general public. Vendors are encouraged to interact with the general public with information as well as answering questions.

First State Heritage Park may photograph, quote, or in other ways document the artisans and the Artisan's representatives, products, and display, for use by the Heritage Park.

I have read and understand the event information provided in the First State Heritage Park Compliance Standards.
